

GREAT PLAINS CONFERENCE
Pastor's Confidential Report
Due _____

Pastor:

Pastoral ministry in the Free Methodist Church offers good biblical balance between one's personal sense of God's call and the "call of the church." The confidential report form provides opportunity for you to express your own sense of God's direction. Your prayerful and candid response will aid the Ministerial Appointments Committee as we endeavor to discern God's will in making pastoral appointments. – Supt. Frankenfeld
