Upcoming Sermon Series

PRAYER – Making It Part of our Daily Life

Prayer is not meant to be something we simply turn to as a "last resort." Prayer is an essential part of our lives as we walk with God. So, what exactly is prayer and how do we make it part of our daily lives? This is what we will consider in this four-part series. Each week we will look at a key component to prayer and how to apply it to our daily lives.

September 16 – The Approach to Prayer [Matthew 6:5-13]

SoulShift: The Measure of a Life Transformed

Have you ever tried very hard to change yourself in a major way only to end up right where you started? Life transformation doesn't happen with greater effort on our part alone. Even little changes can be difficult when we try to do it in our own power. The problem is we want to start on the outside, but changes we really need begin within us and those changes only happen as we partner with God and let Him guide the change. In this eight-part series, we will learn how to follow the Leader and learn from Him what we need to do (and not do) to really change. During this series, we have small groups who will be studying the accompanying book SoulShift by authors Steve DeNeff and David Drury.

September 23 – What is a SoulShift?

September 30 – From Me to You

October 7 – Because I Want To, Not Because I Have To

October 14 – Holding Onto Forever

October 21 – Mine?

October 28 – With a Listening Ear

Our Mission

Radiating love, hope, and new life in Christ!

Our Vision

- We see a church led by the fire of the Holy Spirit burning inside us, fueled by our growing relationship with Christ Jesus our Lord.
- We see people of every age, race and walk of life joining together to freely worship God our Father and joyfully serve the community.
- We see the Body of Christ bringing hope for the hopeless, life to the dead, release for the captive and the unconditional love of Christ to our neighbors throughout the world.

Our Values:

We are all about being Spirit-filled disciples of Christ. Therefore, we are...

- Biblical in beliefs, unorthodox in practice
- Passionately living out the Word of God beyond the church walls
- Saturated in the power of prayer
- Possessed by the love of God for all people
- Fearless to go where God sends us
- Our "with-ness" leads to our witness
