Strength of a Mountain

God took the strength of a mountain, The majesty of a tree, The warmth of a summer sun, The calm of a quiet sea, The generous soul of nature, The comforting arm of night, The wisdom of the ages, The power of the eagle's flight, The joy of a morning in spring, The faith of a mustard seed. The patience of eternity, The depth of a family need, Then God combined these qualities, When there was nothing more to add, He knew His masterpiece was complete, And so, He called it ... Dad.

#### Call to Worship

Grace and peace to you from God our Father, who has blessed us with every spiritual blessing that comes from heaven:

Who knew us and chose us before the world began;

Who loves us so much that he calls us his own children;

Who has brought us from darkness into light and filled us with his glorious power;

Who has prepared an inheritance for us that will never spoil or fade;

Who encourages and strengthens us in every good deed and word;

Who comforts us in our troubles so that we can comfort others.

This is our God, the ultimate source of all things, and the One for whom we live.

Let us worship God together!
