ADDITIONS TO THE AGENDA

SPECIAL DIRECTIONS:

Pastor should have tellers appointed prior to the meeting. Tellers are responsible for distributing materials and ballots. Tellers will also collect and count ballots and report election results to the Chairman.

A printed ballot saves time and expedites the business. Otherwise, inform the secretary to come to the meeting with an ample supply of uniform, blank ballots.

Your Nominating Committee or Local Board of Administration should have all nominations made prior to the Local Church Conference. It is wise to gain permission from all candidates to have their name placed on the ballot before the Conference.

Les Crossfield
District Superintendent
